Welcome to **Clooney's Pub Softball**, a slow pitch softball team located in Burlingame, CA. We've been playing together since March, 1996 and began our 15th year playing together in March.

We've progressed into a pretty decent team, with 19 playoff championships and and 29 league titles. Still, we try to have fun along the way (someone once said that we were a **"DRINKING TEAM WITH A SOFTBALL PROBLEM"**).

We have two sponsors, **Clooney's Pub** in San Francisco and **The Patio Bar** in San Carlos, with The Patio Bar the home of our semi-regular gatherings.

While our core softball teams now play in **Burlingame & Foster City**, at one time or another we've put teams into **San Mateo, Millbrae, San Bruno, San Carlos, Palo Alto, Redwood City, Belmont & Twin Creeks** (Sunnyvale). Really, the only local cities we haven't tried are **San Francisco & Daly City**.
